

Identification of Persons with Developmental Disabilities Who Have Been Victims of Sexual, Emotional, and Physical Abuse

To qualify for developmental disability services in California:

- Disability must originate prior to age 18*
- Disabilities that are solely physical are not eligible conditions.
- Disabilities that are solely psychiatric are not eligible conditions.
- Learning disabilities are not eligible conditions.

*Federal regulations go to age 21

To find a Developmental Services Center (Regional Center) in your county visit:

Office for Victims of Crime, U.S. Department of Justice (2011) DVD 72 minutes, guidebook 70 pages, NCJ 231932
Training DVD and guidebook, developed under the guidance of a national advisory board, demonstrating effective techniques for first responders who have been called to the scene of a crime in which the victim has a disability. It not only provides guidelines for interacting with adult and adolescent victims of crime who have communication and/or intellectual disabilities, but also helps law enforcement personnel gain a deeper understanding of the lives, personal attributes, and abilities of individuals with disabilities.
