that the income tax position will more-likely-thannot be sustained upon examination
by taxing authorities. The Organization has analyzed tax positions taken for
filing with the Internal Revenue Service and all state jurisdictions where it
operates. The Organization believes that income tax filing positions will be
sustained upon examination and does not anticipate any adjustments that would
result in a material adverse effect on the Organizations financial condition,
results of operations or cash flows. Accordingly, the Organization has not recorded
any reserves, or related accruals for interest and penalties for uncertain income
